

STRONG WINDS – PROTECTION GUIDELINES

GETTING PREPARED

Before and during gale force winds

- Secure all objects that may be swept along by the wind causing damages or injuries.
- Secure any billboards you may have installed.
- Secure doors and windows in your home or workplace.
- Avoid activities at shore and coastal areas.
- Avoid passing under big trees, under suspended signs and generally near areas where light objects (such as flower pots, broken glasses etc) may fall on the ground (i.e., under balconies etc).
